

FCA GROUP BENEFITS

INDIVIDUAL AND FAMILY COVERAGE

The FCA recognizes the importance of providing a comprehensive benefits program that includes short and long-term disability, extended health care, dental care, and life insurance. Therefore, we have developed “FCA Plus” that delivers quality and value while satisfying the diverse needs of our members.

This benefit plan is available to pastors, evangelists, Christian educators and support staff who are ministering within the Fellowship of Christian Assemblies in Canada.

FCA Plus has continued to provide comprehensive benefit services through nationally recognized benefit providers. Agencies are invited on a regular basis to bid on this benefit package in order to ensure the lowest possible premiums. As FCA Plus increases its membership, it will be able to negotiate further rate reductions due to volume discounts.

An outline of the current benefits and costs are included in this brochure. FCA Plus continues to work towards additional without cost member benefits such as discounts on air travel. Members will be periodically informed about changes to the benefits provided through FCA Plus as they occur.
