

the three pillars

CULTIVATING PERSONAL & RELATIONAL WELL-BEING

Transformed lives transform churches and communities. We offer our FCA family resources and mentors to accompany individuals on their journey toward intimacy with God. We emphasize caring for our hearts as a way of "being" beyond a way of "believing" and "behaving". We passionately seek spiritual well-being that comes from Jesus, our Wonderful Counselor.

EQUIPPING SPIRIT-LED LEADERS

The FCA is committed to developing Spirit-empowered leaders who are grounded in God's Word, intimate with Christ, Godly in character, competent in ministry, and who practice relational accountability. We desire to provide the proper tools necessary to produce Spirit-led leaders.

COLLABORATING IN KINGDOM MISSIONS

Our greatest potential is found in what we can do together. We believe this collaboration extends much farther than with pastors and leaders across Canada. We hope to see a day when our ministry leaders, congregations, and volunteers will have the ability to network with each other. We encourage you to join the collaboration within our Fellowship.

RIGHTNOW MEDIA

RNM is a streaming library of more than 20,000 Bible study videos for leaders to share with their people. Access to on-demand Bible studies, courses, and children's content will ensure you have solid content to help you bring your ministry to the next level.

TWO-MINISTER ENDORSEMENT

The majority of our 2022 Envisioning Meeting discussions have focused on improving our foundational endorsement model. After formulating a sub-committee to study this topic and reviewing the comments from our Envisioning Meeting breakout groups, we have submitted the following proposal for our 2023 ABM:

"It is proposed that qualified ministers would be established as Endorsing Ministers (EM) and each EM would be able to endorse ministers in collaboration with one other qualified EM."

This additional group would assist us with the responsibility of endorsement alongside the Endorsing Churches and the pastors of EC's. Details regarding "Endorsing Minister Qualifications" and "Endorsement Circumstances" will be made available soon.

This additional method of endorsing will voted on at the 2023 Annual Business Meeting, and if passed will be implemented in the upcoming year.

EQUIPPING *Spirit-Led* LEADERS

Pillar #2, Equipping Spirit-Led Leaders, comes with so much potential! In partnership with Clearwater College we are developing additional strategies geared toward helping the FCA raise up new leaders while providing increased resources for current leaders. We need leaders who know how to navigate our cultural climate well, who have tools to effectively manage their ministries, and who are equipped to be actively involved in the expansion of the Kingdom. Check out clearwatercollege.com for courses featured for the FCA this Fall and stay tuned as we roll out more initiatives to help **Equip Spirit-led Leaders!**
