# FCA CONNECTION

**Marc & Lisa Honorat**

Co-founders & International Directors

We connected with the FCA many years ago through Jim Reimer while Marc & I were in Bible College. This was before we even started Haiti ARISE. Marc served as a camp counselor with Pastor Jim at a youth camp.

In 2010 he led a team of young people from Castlegar to Haiti with us. The day they landed, just 45 minutes after arriving on our campus, the deadliest earthquake in history rocked Haiti, and the team that just landed!

This experience with us & Pastor Jim Reimer cemented our life-long relationship. About 5 years ago, he endorsed us to join the FCA.

# CURRENT CHALLENGES & NEEDS

Currently, Haiti is facing much turmoil. In Aug 21 our president was assassinated sending the country into chaos & into the grasp of gangs. We have also had two more hurricanes & another earthquake causing much flooding & loss of homes & belongings for thousands. Our biggest prayer now is for a transformation in the country & security & peace to come.

As a ministry, we've been successfully thriving despite all the in-country challenges as our Haitian staff have led and carried well throughout Covid & the current crisis. Some of our current needs & projects that we are looking for partnerships with:

- Home Rebuilding- \$8,000 per home
- Disaster Relief Food Distributions- costs us about \$20,000 to feed 500 families
- Completion of our High School building to accommodate our 260 HS students- \$200,000
- Completion of our first Quadplex in our Children's Village that will be able to house up to 32 rescued children that have been abandoned, orphaned or slaves and place them into 4 family homes- \$200,000

We hope to reactive mission teams again in 2024 & we also love to visit churches to encourage the body of Christ & share testimonies of what God has done!

Last, this year we're celebrating our 20yr anniversary since we started. We're hosting a celebration on Aug 26 in Red Deer at CrossRoads Church & would love to extend an invite. More info is on our website: [www.HaitiArise.org](http://www.HaitiArise.org)
