FCA International Convention

Come and join us at the FCA International Convention! Our theme is **UNITE - Forging Kingdom Relationships**. God is doing something unique and exciting in this day, but He is not doing it alone. God is calling the church to **UNITE**. Together, we can bring Kingdom realities into every context, every community, and every home. If you want to experience Kingdom in your sphere, **UNITE** with us on the west coast and experience what God can do.

REGIONAL HUBS

We are in the process of creating Regional Hubs to reboot and expand what we initiated with Regional Coordinators. Instead of a single individual carrying the load of a particular region, Regional Hubs are a team of gifted leaders that help propagate, implement, and reinforce the FCA Vision and administrative initiatives.

COLLABORATING IN KINGDOM MISSION

Kingdom Collaboration begins when we recognize that **we can do more together than we could do alone**. The expression of our third pillar extends much farther than with our pastors and leaders across Canada. We hope to see a day when our ministry leaders, congregations, and volunteers will have the ability to network globally.

We encourage you to join the collaboration within our Fellowship. We are creating a safe environment where all our leaders, including our missionaries from around the world can connect.

A place to share prayer requests, promote a need or an event, a church planting strategy, post job opportunities or short-term missions projects.

May God grant us the wisdom and insight to expand our collaboration to include everyone that is associated with this great Fellowship

Pillar Elders: Trevor Hoskins, Beverly Fawcett
& Glenn Breitkreuz

VISION FOCUS

TWO-MINISTER ENDORSEMENT MODEL

We are upgrading our endorsing model to include an additional method that assists us with our current process. This method of endorsement allows two (2) qualified endorsing ministers to endorse a qualified candidate as an FCA minister.

Let's keep building!

Cultivating Personal & Relational Well-being

Transformed lives transform churches and communities. **Our Fellowship is committed to encouraging our leaders to have a fresh encounter of God's transforming power in their lives.** We believe this transformation will impact our communities and churches through the power of the Gospel of Jesus Christ.

We offer our FCA family resources and mentors to accompany individuals on their journey towards intimacy with God with our **Heart of the Shepherd Retreats**. We emphasize caring for our hearts as a way of "being" beyond a way of "believing" and "behaving". We passionately seek spiritual well-being that comes from Jesus, our Wonderful Counselor.

Pillar Elders: Bryan Swash & Greg Fraser

Equipping Spirit-led Leaders

We are committed to developing Spirit-empowered leaders who are grounded in God's Word, intimate with Christ, Godly in character, competent in ministry, and who practice relational accountability. **We desire to provide the proper tools necessary to produce Spirit-led leaders.**

In partnership with Clearwater College, we are developing additional strategies geared toward helping the FCA raise up new leaders while providing increased resources for our current leaders. We need leaders who know how to navigate our cultural climate well, who have tools to effectively manage their ministries, and who are equipped to be actively involved in the expansion of the Kingdom.

Pillar Elders: Gene Enns & Duane Siemens
